

SPIROMETRY

Jim Reid

**University of Otago Medical
School, Dunedin.**

Spirometry

- What constitutes spirometry in the primary care situation?

Spirometry

Why do spirometry?

Spirometry

Why

- Screening
- Diagnosis
- Progress
- For Special Approval Numbers.

Spirometry

What is being looked for

- Obstruction
- Restriction
- Reversibility of obstruction.

SPIROMETRY in GENERAL PRACTICE

$$R \propto \frac{1}{r^4}$$

Spirometry

Pitfalls

- Lack of effort
- Consistency
- Unable to maintain expiratory effort

Do FVC and VC to substantiate

SPIROMETRY

FEV6

- Advantages?
- Disadvantages.

SPIROMETRY

The concept of FEV6

7th World Conference of the International Primary Care Respiratory Group (IPCRG)

A Breath of Fresh Air: Multiple Morbidities and Integration
21-24 May 2014

Hilton Hotel, Athens

- Internationally-renowned primary care speakers
- Symposia on primary care case-finding, diagnosis and management
