Alliance contracting - MidCentral Health Perspective.

Dr Bruce Stewart
Chair ALT MCDHB

Before –

DHB Funding - CPHO relationship

very Contractual bogged down in onerous restrictions and reporting requirements.

Wider Health Community

Little formal contact between Secondary Care and Primary care for health planning

BSMC Business Case - Thinking Outside the Square

Collaborative groups

Acute Care, Elder health, Whanau Ora, Childrens Health, IFHC, System Levers

Excellent buy in by all clinicians - primary secondary medical nursing and allied health

High energy environment - brainstorming to produce a BSMC proposal for MOH in very short time frame

Distilled Down to 26 individual initiatives.

Legacy of high engagement continues.

Alliance Leadership Team.

Governance body for the business case on behalf of the Alliance partners – MCDHB and CPHO

Senior Clinicians and manages from Secondary Care, Primary Care and funding division

Primary Care clinician chair

High Trust environment

Robust exchange of views - but working toward common integration goal.

Now and beyond

Taking Alliance trust environment into the governance of CPHO

Alliance Management team - senior managers from secondary and primary care working on several work programmes

- CPHO business

- Clinical Networks initiatives

- Clinical pathway initiatives

Role of AMT is to remove the road blocks which prevent integration programme.

Legacy of cooperative health care initiative development, high focus on integration of services. Agenda to promote and enhance Primary care services and support
