General Practice Conference & Medical Exhibition

www.gpcme.co.nz

09-12 June 2011 | Energy Events Centre | Rotorua

An Invitation

You are invited to attend the NZMA Rotorua GP CME 2011 (General Practice Conference & Medical Exhibition). The programme is varied and covers key areas of interest in general practice. The content provides short, sharp and to the point clinical updates with key 'take home' messages to change your daily behaviour. Includes repeated group sessions with case studies.

NZMA members receive \$100 discount on full registration to New Zealand's biggest annual GP conference.

There is a dedicated Practice Nurses Programme on Saturday 11 June arranged by the New Zealand College of Practice Nurses and facilitated by Mary Anne Cameron (NZCPN). Registered Nurses are invited to any other sessions.

A dedicated Practice Managers Programme has also been arranged for Friday 10 June. Topics include Risk Management and Communication with a session from Sir Ken Stevens.

A good clinical mix and the annual MedicoPolitical Forum will provide much to take home to alter your practice in 2011.

Emergency Resuscitation Courses to Level 5 Standard will be repeated, with a minimum of 6 and limited to 12 people per session. As spaces are limited, these will be allocated as registration forms are received.

The leisure options in Rotorua are superb and we welcome you and your family to attend.

The Rotorua Energy Events Centre is located in Government Gardens. A 5-minute walk from Millennium and Sudima Hotel and a 10 minute walk from Novotel Hotel.

The Saturday evening Conference Dinner is an optional highlight at the Rotorua Convention Centre; a relaxed dinner and dance with entertainment and band.

We look forward to your participation.
