This course has been endorsed by The Royal New Zealand College of General Practitioners and has been approved for 12 CME credits for maintenance of Professional Standards MOPS purposes.

This course requires pre-reading of the NZRC Resuscitation – "A Guide for Advanced Rescuers" manual in order to successfully complete the NZRC written test. The recommended pre-reading time is 3 weeks prior. We recommend you order the manual at the time of registration with Conference Matters (may be obtained online through Conference Matters or directly online through the NZRC website)

The course covers and includes:

- (Pre-course reading purchased by yourself - in advance to prepare for the written test)
- Basic Life Support (Adult, child and baby including choking)
- Advanced airway management (single and double person bag masking, guedel airway insertion, LMA's insertion)
- A chance to practice Intubation (not assessed now in Advanced)
- AED and rhythm recognition
- Adult and child collapse algorithms
- Anaphylaxis management
- Scenario based training including adult and child
- A compulsory multi choice test and skills evaluation of airway management, safety using a defibrillator and cardiac rhythms
- This is a NZRC CORE Advanced course (previously Level 7) Approved (8 hrs) course run by Jason Burns (NZRC Instructor CORE Advanced & Immediate, NZDA Approved Instructor, RNZCGP Endorsed Instructor, Royal New Zealand College of Urgent Care instructor).
- Attendees will be registered nurses, medical practitioners or people who have the skills contained in the course as part of their scope of practice. It is expected that students will already have the skills and knowledge required for Resuscitation Course duration for Resuscitation CORE ADVANCED is a minimum of 8 hours with expected pre-reading preparation time of at least 4 hours.
- You are expected to access resources at your disposal.

Examples of suitable texts may include:

- PRIME course material on resuscitation
- NZRC Resuscitation – "A Guide for Advanced Rescuers" manual in order to successfully complete the NZRC written test. The recommended pre-reading time is 3 weeks prior.
