1800-1830	Discussion	

## NZRC CORE Advanced "With Exam"

Thursday Start 8:30am Course Duration: 8 hours

This course has been endorsed by The Royal New Zealand College of General Practitioners and has been approved for 12 CME credits for maintenance of Professional Standards MOPS purposes.

This course requires pre-reading of the NZRC Resuscitation – "A Guide for Advanced Rescuers" manual in order to successfully complete the NZRC written test. The recommended pre-reading time is 3 weeks prior. We recommend you order the manual at the time of registration with Conference Matters (may be obtained online through Conference Matters or directly online through the NZRC website)

Pre-conference Workshop

Thursday Start 8:30am Course Duration: 8 hours  
South Mezzanine (entrance by Workshop (Room 12))

The course covers and includes:

- (Pre-course reading purchased by yourself - in advance to prepare for the written test)
- Basic Life Support (Adult, child and baby including choking)
- Advanced airway management (single and double person bag masking, guedel airway insertion, LMA's insertion)
- A chance to practice Intubation (not assessed now in Advanced)
- AED and rhythm recognition
- Adult and child collapse algorithms
- Anaphylaxis management
- Scenario based training including adult and child
- A compulsory multi choice test and skills evaluation of airway management, safety using a defibrillator and cardiac rhythms

This is a NZRC CORE Advanced course (previously Level 7) Approved (8 hrs) course run by Jason Burns (NZRC Instructor CORE Advanced & Immediate, NZDA Approved Instructor, RNZCGP Endorsed Instructor, Royal New Zealand College of Urgent Care instructor).

Em-Med Training has been endorsed as a CME Resuscitation Provider with the Royal College of GPs.

Attendees will be registered nurses, medical practitioners or people who have the skills contained in the course as part of their scope of practice. It is expected that students will already have the skills and knowledge required for Resuscitation.

Course duration for Resuscitation CORE ADVANCED is a minimum of 8 hours with expected pre-reading preparation time of at least 4 hours.

## NZRC CORE Skills "NO Exam"

Four course times on offer during the conference in the South Mezzanine (entrance by Workshop (Room 12):

Fri AM - 8:30am-1:00pm - NZRC CORE Skills "NO Exam"  
(Previously NZRC CORE Level 5 Non-Assessed Course)

Fri PM - 2:00pm-6:30pm - NZRC CORE Skills "NO Exam"  
(Previously NZRC CORE Level 5 Non-Assessed Course)

Sat AM - 8:30am-1:00pm - NZRC CORE Skills "NO Exam"  
(Previously NZRC CORE Level 5 Non-Assessed Course)

Sat PM - 2:00pm-6:30pm - NZRC CORE Skills "NO Exam"  
(Previously NZRC CORE Level 5 Non-Assessed Course)

NZRC CORE Skills "NO Exam" (Previously NZRC CORE Level 5 Non-Assessed Course) (4 hours and NO written exam)

This course has been endorsed by The Royal New Zealand College of General Practitioners and has been approved for 8 CME credits for maintenance of Professional Standards MOPS purposes.

The course covers:

- Basic Life Support
- Airway management bag masking, guedel and LMA insertion
- Assessment of safe use of the AED / Defibrillator
- Cardiac Rhythm Recognition
- Resuscitation drugs
- Adult /Child collapse Algorithms
- Anaphylaxis Algorithms
- Resuscitation Scenario's
- Skills assessment (NO written assessment)

This course also meets the compulsory resuscitation skills RNZCGP MOPS and AVE requirements for GPs to obtain a certificate of competency in resuscitation skills to the New Zealand Resuscitation Council standards.
