The Medical Exhibition is a major part of the GP CME conferences, and gives delegates access to a wide General Practice product and service update in one location.

The meetings are known for their relaxed and collegial atmosphere amongst delegates and industry participants. The atmosphere is actively encouraged to maximize the benefits for both delegates and exhibitors.

If you are active in the General Practice market, GP CME South provides access to a wide cross-section of practitioners, with clinically relevant content, over a compact time frame. Together with a collegial atmosphere, this meeting is not to be missed.

Product Listing/Category

We will produce a product/service category listing to help delegates find products/health conditions and services. This will be cross-referenced with the exhibition stands.

Please indicate which categories you would like to be listed under on the exhibition form.

Prizes

We will list any prizes/competitions/giveaways you are offering from your stand. We include these details in the conference proceedings and on the main information board to give delegates a heads up on what is happening around the exhibition area. This will also help as a conversation starter and may reduce the need for repetition re introducing the prize/competition when delegates arrive at your stand.

We can notify winners of your competition onsite, prior to the final catering session on Sun 13 August, and encourage them to visit your stand to collect their prize prior to leaving the conference. We can only do this for exhibitors who advise us what competition they are running.

You will need to advise the winner of your competition to us at the conference registration desk by 9am on Sun 13 August.

Deadline for receiving your prize/competition details is **Fri 16 June 2017**.

Delegate Flow Conference Competition

To encourage delegate flow in all areas we are running a famous lodge competition.

Each exhibitor will be issued with a piece of the puzzle. Delegates will need to obtain a piece from all exhibitors to enter the draw for:

- A weekend for two at a Luxury New Zealand Lodge

The entry form will be a page in the conference proceedings book.

We are pleased to announce the interactive smartphone application, EventLink, for this year's South GP CME 2016 meeting.

The app will be available for iPhone, Android, BlackBerry, and any smartphone that has web-enabled browser capability, and offers many useful year-round features.

App will be able to:

- Review sessions and add them to their calendar
- Stay in-the-know with show alerts
- Participate in live audience polls conducted during presentations
- Download exhibitor brochures
- Link with friends and share event photos

The South GP CME 2016 Mobile App will provide sponsors with the opportunity for mobile sponsorships and promotion through banner ad and multimedia advertising.

This gives exhibitors a far-reaching, cost-effective way of advertising in this brand new medium. It's a handy tool for the trade show, but it also lives on throughout the year, providing users with an industry reference tool with company, product and contact information, plus exhibitor advertising all year long.

Since exhibitor content appearing on the app is managed by the exhibitors, it's a place to point new business prospects whenever new information is available, on a device they use daily right in the palm of their hands.
