General Practice Conference  
& Medical Exhibition

HORNCastle ARENA | CHRISTCHURCH

13-16 AUGUST 2020

You are invited to attend the 11th South GPCME meeting to be held at the Horncastle Arena in Christchurch in August 2020. This medical conference provides broad medical update and practical take home information to improve your patient management immediately. This is complemented by a large exhibition from industry to inform what is new on the pharmaceutical and supply of equipment, texts and available IT solutions, all while gaining sufficient CPD points to satisfy our College of GPs and Medical Council requirements.

Christchurch is a great central location, with renowned southern hospitality, and attractive leisure or visitor options. GPs from throughout NZ attend the South Island event, taking the opportunity to revisit old university haunts, to check out family at the southern universities, or en route to the ski fields in Central Otago. Hotel accommodation is available at group discounted pricing. Complimentary breakfast at the conference venue are provided with a plethora of prominent speakers on widely variant topics.

Practice nurses and practice managers are essential members of general practice teams, with their own dedicated sessions on the Saturday, but able to attend the entire meeting. We are grateful for the many presenters who give of their time to assist this growing meeting so well. The strength of the academic programme is the key with many concurrent practical workshops throughout. Presentations are available to delegates for 6 months post conference on the internet for review.

Registration fees cater for trainees and practice colleagues and spouses, kept at a low level thanks to the generous support of industry, especially Boehringer Ingelheim.

The stress of busy practices with ever increasing consultation rates dictates you deserve a break. We welcome you back for another great event in 2020, with numerous workshops and quality plenary presenters. One lucky punter will win the annual travel prize, courtesy of the conference committee, for some real quality time out.

Feedback is utilised in constructing the following year's programme, and your suggestions for desired topics or speakers are acted on. Thank you for your ongoing support too.

The New Zealand Medical Association supports this meeting strongly and our thanks to Lesley, Kate and their team for their assistance.

Kind regards,

Academic Convenor

Peter Chapman-Smith

## CONFERENCE CONTENT

### Pre-Conference Workshops

Thursday 13 August 2020, Horncastle Arena, Christchurch

To provide further practical updates, there is an optional pre-conference workshop day covering a broad range of hands-on topics, including an option to register for Basic and Advanced Surgical skills training.

Please note topics are repeated content, not part 1 and 2.

Some workshops have a limit on the numbers that can attend. Book early to avoid disappointment as some workshops will book out.

### Main Conference

Friday 14 - Sunday 16 August 2020, Horncastle Arena, Christchurch

Due to the popularity of the meeting, further workshop options have been added to the Saturday programme.

All GPs, Practice Nurses, Practice Managers, GP Registrars and Students are welcome to attend.

### Practice Managers Programme

Friday 14 August 2020, Horncastle Arena, Christchurch

A dedicated Practice Managers programme has been developed to ensure all areas of General Practice interest are covered for this national conference. All Practice Managers are invited to attend and are welcome to attend any other sessions of interest.

### Practice Nurses Programme

Saturday 15 August 2020, Horncastle Arena, Christchurch

A dedicated Practice Nurses programme will run concurrently with the main conference on Saturday. Practice Nurses are encouraged to register for the entire conference and are welcome to attend all sessions.

### MPS Welcome Function

Friday 14 August 2020, Horncastle Arena, Christchurch

6:30pm-7:30pm, Exhibition Area

Unwind after a busy first day with drinks and canapés in the Exhibition area. A chance to catch up with colleagues and meet other delegates and industry.
