

## VBASE TECHNICAL SOLUTIONS - PRE ORDER FORM

At Vbase we provide a range of technical services which can assist you in showcasing your products at your stand.

### Order with us in 3 simple steps:

1. Have a look through this form, and choose the service(s) you wish to order.
2. Get in touch with your Vbase Event Planner to order the service(s) you require, or with any questions you may have. Your Event Planner will confirm the cost and issue you with an invoice. Where a quote is required, your Event Planner will liaise with the Vbase Technical team, and get back to you with a no obligation quote.
3. Once the invoice has been issued you will be directed to pay online via our online credit card payment facility. Once full payment has been received, your order is deemed confirmed by Vbase.

## THE SERVICES WE OFFER

INTERNET & NETWORKING	
<b>Vbase Guest Free WiFi</b> If your event organiser has requested it, our Vbase Guest Free WiFi network will be enabled. Suitable for general browsing and accessing emails. Not suitable where continuous connections are required, or for high-bandwidth activities.	
<b>Premium Internet – Cabled</b> A cabled internet connection through our venue's full-speed fibre network. An ethernet cable will be run to your location. Connection to multiple devices may incur additional charges for labour and hardware.	<b>\$150+GST each</b>
<b>Premium Internet - Wireless</b> Access key provided on your arrival at the venue. Please note that this network shares wireless access points with the Vbase Guest service; if both are active, we cannot offer guarantees on the quality of Premium Wireless service.	<b>\$150+GST</b>
<b>Specialised Networking Services</b> Tailored to fit your event. Please get in touch with us to discuss your requirements	<b>POA</b>
<b>Phone Line</b> A physical desktop phone, with pre-assigned Direct Dial-In number (DDI). Calls will be charged where applicable, at Spark standard rates.	<b>\$100+GST each</b>
<i>Please note, Vbase does not replace your usual IT support structure. We provide an open internet connection that will be tested at the termination in your location. Beyond that, we cannot take responsibility, but we will always do our utmost to assist with any challenges that may occur. See the Exhibitor Guide for detailed information, or contact your Event Planner.</i>	

BANNER HANGING	
<b>Stand out from the crowd and enhance your exhibiton stand with a banner!</b>	
Banners can be hung nearly anywhere in our venues. Note that they must remain within the footprint of your stand, unless previously arranged with your event organiser. Final costs depend on your stand location, and the design of the banner. The more information you can give us, the more accurate our quote for this service will be – photos or design drawings of the banner are especially useful. <b>Please contact your Vbase Event Planner for a quote tailored to your requirements.</b>	<b>From \$100+GST per banner</b>
